\*Program started in 2020 – no graduate data to report for the reporting period.

<sup>1</sup>Completion Rate – the number of students who graduated as a percentage of all students who left school, not counting those who left because they entered another post-secondary education program, the military, or incarceration; or died.

<sup>2</sup>Employment Rate – the number of graduating students who were employed in the field they were trained for by the program, as a percentage of all students who graduated, not counting those who entered another post-secondary education program, the military, or incarceration; or died.

<sup>3</sup>Placement Rate – the number of graduating students who were employed in the field they were trained for by the program, and actually placed in those jobs by the school, as a percentage of all students who graduated, again not counting those who entered another post-secondary education program, the military, or incarceration; or died.
